Dear Ms. Cardenas and Medstar Laboratory:

On behalf of the children of the Illinois Masonic Children's Home, I would like to thank you and everyone at Medstar for all the gifts and treats that you bought for our kids. I know it was not a large group, but we made sure the gifts were shared with all the kids.

We very much appreciate everyone at Medstar for taking the time to make such a commitment and making this donation of gifts to our kids; your thoughtfulness is appreciated beyond words!

Sincerely,
